Description

Swift Nature Camp is an overnight children's summer camp that specializes in nature and science. Our youth Leadership Program encourages and teaches young teens to develop their skills in Leadership, Communication and Problem Solving while working with our campers. We ask that our candidates:

- Have the desire to motivate and encourage children to be their best for the summer
- Positively and effectively work with children, while accepting responsibility for their own actions & taking direction
- Serve as a positive role model to campers being: kind, patient, friendly, cooperative, approachable and with a willingness to ask for help.
